

WISCONSIN SCHOOL FOR THE DEAF

2015 HIGH SCHOOL ADVENTURE CAMP NEWSLETTER

www.wsd.k12.wi.us

Monday: The High School Adventure Camp started off with introductions and the hand painting of our camp T-Shirts. Icebreaking and team building activities were up next that included a caterpillar challenge. Next up was a challenge where a large frisbee was placed on the ground with a light ball in it. The students had to lift the frisbee with a number of strings while holding the ends of the strings. After lunch we went for a swim at Fontana Beach. The campers swam in cool water or became creative with the sand. A camper created a firebird in the sand. After a snack time, a game of volleyball was started before we return back to WSD.

On Tuesday, we visited the Outdoor Wisconsin Leadership School (DWLS) where we participated in group and individual challenges. We were challenged by their High Rope Course elements where we had to climb up some rope ladders and traversed across various wires and logs to move around from one post to another. To get down, we rode down a zip line. After lunch, we spent the afternoon swimming at Williams Bay Beach.

WEDNESDAY-THURSDAY:
CAMPING AT RIVER BEND
RV RESORT

In the morning, we finished our t-shirts and then made bird feeding ornaments out of bagels/peanut butter and bird seeds. After lunch pack up for our overnight camping trip. After setting up our tents and supplies, we went swimming at the resorts waterpark. We had a campfire dinner of brats and hotdogs. Card games and smores before the campfire ended the evening activities before going to sleep. Thursday morning, we got up to fire cooked breakfast of sausages and eggs. Packed up and went swimming one more time before loading the bus to return to WSD.

FRIDAY: WE STARTED THE DAY BY MAKING THANK YOU CARDS FOR OWLS AND WENT ON A SCAVENGER HUNT PRIOR TO LUNCH. AFTER LUNCH WE WATCHED A MOVIE. WE HOPE EVERYONE HAD FUN THIS WEEK AND WE LOOK FORWARD TO NEXT YEAR'S CAMP!
